

HR ATTRITION DASHBOARD

A **Demographic report** summarizes employee statistics, including age groups, gender, distance from home, and marital status, providing insights into workforce diversity and commuting patterns for informed decision-making.

A **Turnover analysis 2** report consolidates employee data, featuring attrition by job level, overtime performance ratings, monthly income, and attrition increase levels, offering critical insights for effective HR strategies and decision-making.

The **Turnover Analysis 1** report provides insights into employee attrition, including departures by department, job roles affected, business travel impact, and total years in the current role, aiding in workforce management and retention strategies.

The **Employee Wellness** report typically includes key metrics related to employee wellness programs, health benefits utilization, absenteeism rates, stress levels, and participation in wellness activities such as fitness programs or mental health initiatives.
